INDIANAPOLIS—May 11, 2011—Steve Gray Renovations, one of Indianapolis' most professional remodeling companies, has been named to REMODELING magazine's annual Big 50 list, chosen and named by the editors of REMODELING magazine for industry excellence. The 2011 Big50 winners are featured in the May issue of the national trade publication read by more than 80,000 professional remodeling contractors nationwide. There are eight recognition categories, including Industry Impact for which company Steve Gray is recognized and featured.

Gray is the only Indianapolis remodeler named to the 2011 BIG50 class. "Being named to this list is like being on a national all-star team. The companies on the list represent the best of the best in the national remodeling industry," says Gray. "Six years ago we founded our company on the core philosophy of professionalism through honesty, integrity, quality and craftsmanship. We've surrounded ourselves with local professional partners who believe in the same core qualities. This nod from REMODELING means we're all meeting the standards we strive to convey each work day."

The Big50 awards will be presented at the REMODELING Leadership Conference in Arlington, VA this weekend.

Big50 Criteria

Each year since 1986, the REMODELING Big50 inducts 50 owners of remodeling companies in the United States that have set exceptionally high standards for professionalism and integrity through exemplary business practices, craftsmanship, and impact in their community or the industry at large. Following a lengthy evaluation and interview process, the editors select the 50 individuals who exemplify the best of the industry that year, and who have something to offer other remodelers in proven practices. Winners are selected in these categories: business savvy, fine design, industry impact, market wise, movers & shakers, niches, sales & marketing, and teamwork.
